Verdant Grounds is a quickly growing landscaping maintenace and installation company serving the North Dallas area, focusing on the high and residential market. We are currently recruiting several positions.

Job Description: Landscape Crew Leader

Reports to: Owner, Jonathan Schlimme

Skill - Consistency - Leadership

Our Crew Leader sets the pace for all of our on-the-job work. They know how to delegate and assign job tasks amongst their crew so the right work gets done efficiently by the right people. While there may be certain tasks our Crew Leader needs to handle directly, they know when to hand tasks off to other crew members so the work can be completed on-time.

Our Crew Leader has solid experience in the landscaping industry and is a creative thinker who can be resourceful and independent in challenging situations. They're able to make good decisions on behalf of the client and company without constant direct input from their supervisor.

Teaching landscaping and maintenance skills to the rest of the crew members comes naturally to our Crew Leader. Holding all the staff to a high standard of work is always a high priority.

Ultimately, our Crew Leader is responsible for the work that does, or doesn't, get accomplished on the job each day. Our Crew Leader knows how to own the job and be a good leader for their crew members.

Our Crew Leader always represents Verdant Grounds in a professional manner to the rest to the staff, clients and vendors.

Duties include:

- Lead crew and participate in performing a wide variety of tasks such as general landscape maintenance, mowing, removing trash, weeding, planting and plant grooming.
- Assign work tasks to crew members and monitor progress throughout the day to keep work on schedule. Monitor and ensure work is performed safely.

- Lead crew on landscape installation jobs which include excavation, bed construction, irrigation, hardscape and planting. Work with subcontractors hired to perform specialty services on landscape installation jobs.

- Instruct employees in proper work methods and standards; monitor crew work quality; insure adherence to time schedules and safe work practices, provide feedback to supervisor on crew performance.

- Operate all equipment necessary to complete assigned tasks such as mowers, weedeaters, blowers, tillers, and hand tools. Keep all tools clean, secured and assure crew is handling and maintaining company tools properly.

- Assist with purchasing or pick up of required job materials.

Mandatory Requirements for the Position:

- 3 Years Experience in Landscaping or Nursery Work .
- 1 Year Experience as a crew leader or foreman in Landscaping.
- Valid Texas Drivers License + ability and willingness to drive.
- Must be physically capable to work "hands on" in fast pace work environment and work outdoors in all weather conditions.
- Ability to lift 50 lbs. plus consistently throughout the day.
- Bilingual proficiency in English and Spanish.
- Ability to read and write in English and Spanish.

Does this sound like you ? Then let's schedule an interview!
Please respond to this posting with your resume and we'll set up a time to talk!
