## TNLA Membership List Use Policy

**The mailing list will be available for purchase exclusively to Active TNLA Members.**

Upon receipt of the fee by the TNLA office, along with a signed agreement stipulating agreement to the TNLA List Use Policy, the list will be supplied to the member in the Excel format (email addresses not included). It is expected that the TNLA list will be used by Members to promote a Member's products and/or services, or otherwise correspond with members in a way that mutually benefits senders and recipients of the information. Mailing lists are updated continuously; thus, counts will vary.

The TNLA list may not be used in any way that contradicts the established purposes, policies, agenda, and principles of TNLA, or in any way places at risk the reputation or effectiveness of TNLA. Examples of potential misuse include distribution of information or opinions potentially damaging to member companies, business categories, regions, or the state organization; information or opinions contradictory to TNLA ethics policies; and information or opinions contradictory to established TNLA positions on legislative and regulatory matters.

Noncompliance with these policies may lead to action by TNLA against the offending member, up to and including denial of membership and other possible legal remedies commensurate with potential or actual damages to the reputation or effectiveness of TNLA, its membership, and/or its programs.

I hereby agree to abide to the TNLA Membership List Use Policy and CAN-SPAM law.
